PROFESSIONAL SUMMARY

Community & Ecosystem Manager with 2+ years of experience building communities that retain people, not just attract them. Grounded in Applied Psychology, I think in loops — turning attention into trust, trust into participation, and participation into retention and word-of-mouth. As the sole employee at a registered alumni body representing 30,000+ MBAs, CEOs, CXOs, and founders, I've managed everything from multi-city events and membership growth to building an angel network from scratch. I don't just own the strategy — I own the execution that makes it work.

EXPERIENCE

Community Manager | [IMT Alumni Association \(IMTAA\)](#)

June 2025 – Present

Gurgaon | Sole employee | Registered alumni body under Societies Act, Govt. of India | 30,000+ alumni across IMT Ghaziabad, Nagpur, Hyderabad & Dubai

- Grew IMTAA's LinkedIn following from 9K to 15K and personal professional LinkedIn from 7K to 10.5K — managing 3 accounts simultaneously with a combined reach of 26,500+ followers
- Grew the IMTAA website community to 14,000+ active members with 400+ new registrations in under a year, managing the full member lifecycle from onboarding to retention
- Owned communications across 50+ WhatsApp groups spanning alumni batches from 1980 to present — including city chapters (Delhi, Mumbai, Hyderabad), campus groups across 4 campuses, and international chapter groups
- Co-coordinated 4–5 alumni events per month including city-chapter meetups, panel discussions, and All India Alumni Meets (AIAMs) across metro cities — managing invitations, communications, and post-event engagement
- Built and launched the IMTAA Angel Network from scratch — conceptualized the ecosystem structure, organized startup expos, and facilitated connections between early-stage founders and the alumni network of investors, mentors, and evaluators
- Executed the IMTAA × IIMJobs strategic partnership (first alumni body to partner under this model) — coordinating communications and driving member awareness for the IMTxIIM Career Lounge with 100+ curated roles weekly
- Designed and executed multi-channel campaigns across LinkedIn, WhatsApp (Sensy), and email for membership drives, event promotions, alumni achievement spotlights, and career initiatives
- Managed board communications, institutional announcements, election campaigns, and brand voice across all touchpoints for a 40-year-old network

Community Outreach Expert | [Vamos](#)

Feb 2025 – May 2025

- Executed daily outreach campaigns engaging 20–30 community members through strategic relationship-building calls for a travel-based community platform
- Applied behavioral psychology principles to optimize engagement strategies and improve member conversion rates

Community Lead | [Oopar Club](#)

May 2024 – Aug 2024

Bangalore | Pre-seed funded social-tech startup solving urban loneliness | Backed by PedalStart

- Built the Social Score — a psychometric assessment tool designed to filter, qualify, and onboard new community members, improving sales conversion and ensuring better member-community fit
- Hosted community events and offline experiences across Bangalore; recognized as a warm and engaging host by members and the founding team
- Worked closely with the founding team on community growth strategy, member retention, and engagement design for a paid membership model

- Gained hands-on experience in product thinking, AI-driven community analytics, and applying behavioral psychology to community operations at an early-stage startup

Researcher & Content Writer | [FinFloww](#)

Jan 2024 – Apr 2024

- Wrote data-driven finance and business content for Instagram carousels and Twitter threads; achieved 1M+ reach across multiple pieces
- Collaborated with Nikhil Kamath on an Instagram post covering the UX of Netflix — received 22K+ likes, demonstrating ability to create content that earns trust at scale

Club Head – Events & Marketing | [Galgotias University Business Club](#)

Dec 2023 – May 2024

- Organized 20+ events including panel discussions, workshops, and an e-summit with 50+ startup stalls; notable guests included Ashneer Grover, Vijay Shekhar Sharma, and Akshay Kumar
- Mentored student startups and built entrepreneurial culture on campus through industry connects and knowledge-sharing programs

Team Lead | [Smart India Hackathon \(SIH 2024\)](#) — [Ministry of Education](#)

Sept – Jan 2024

- Led a cross-functional team to design a Mental Wellness Platform for student crisis prevention; secured 2nd Runner-Up at the national hackathon

EDUCATION

BA in Applied Psychology | [Galgotias University](#)

2021 – 2024

- Grounding in behavioral psychology, human motivation, cognitive science, and social identity — applied directly to community design, member engagement, and retention strategy
